"It's the people behind the name that make the difference!"

March 28, 2000

Greg Graham
U.S. Army Corp of Engineers
Walla Walla District
201 N. Third Ave
Walla Walla, WA 99362

Dear Mr. Graham,

I urge you to strongly oppose breaching any dams in Idaho and Washington for the Citizens of our region. We need irrigation for the many farms in the region and the power the dams produce. It would be a major mistake to remove any dams.

Sincerely,

Chris Frostad
